REQUEST TO CORRECT ATTORNEY DOCKET NUMBER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Applicant respectfully requests the correction of the Atty. Docket Number associated with the above-identified patent application. USPTO made an original filing error involving mis-identifying the Applicant's representative's internal Docket Number.

Accordingly, the Applicants respectfully request that the Atty. Docket Number be changed to: WC-01-11-02.00, as originally filed.

The USPTO incorrectly recorded the Docket Number for the above-identified patent application as: WC-01-11-03.00, as is listed above. However, the correct Docket Number should be WC-01-11-02.00. I am enclosing the original Return Receipt Postcard (Feb. 26, 2002) and the Filing Receipt, wherein the Atty. Docket No. and number of Drawing Sheets on both

documents do not match. Therefore, it can be seen that the USPTO recorded by the Atty. Docket Number incorrectly.

In the event that the transmittal letter is separated from this document and the Patent and Trademark Office determines that an extension and/or other relief is required, Applicant petitions for any required relief including extensions of time.

Respectfully submitted,

Dated: October 15, 2004
